

Parking instructions & directions to Suite 7, Knox Private Hospital during hospital renovations

At present there are renovations happening at the hospital causing issues with limited parking available on site.

Parking instructions during hospital renovations (updated August 2023)*:

**Please see instructions on following page for disabled parking*

If you are able bodied we recommend that you park across Boronia Road at the shops and then walk across to the hospital. There is also limited street parking available nearby.

If you are parking on site please enter the underground carpark* either:

> From Boronia Road: You will enter directly on to Level B2

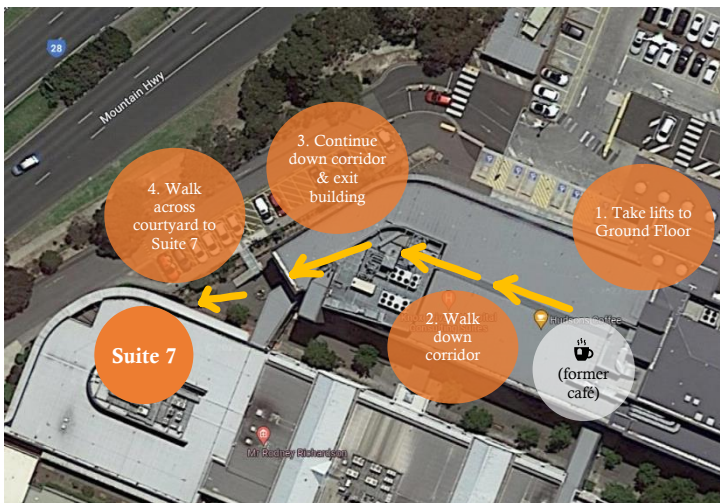

> From Mountain Highway*: Immediately turn left upon entering the hospital grounds, towards Main Entrance. Follow the arrows before turning left again to go down to the underground carpark (you will enter the underground carpark on to Level B1)

If you have trouble finding parking or you are not sure where to go please call our rooms on 9210 7278.

**Please note that the entrance off Mountain Highway is open however the carpark straight ahead from this entry takes you to the carpark above Emergency Department from where it is difficult to get to our rooms as it is a long walk back outside the buildings around to Suite 7 from there (internal access is for Healthscope staff only).*

When entering from Mountain Highway be sure to follow the instructions above to be guided to the correct carpark.

Directions to Suite 7:

If you park in the underground carpark take the lifts to the Ground Floor

Turn left out of the lift, then turn right (walk past the former café)

Follow the signs to Suite 7

At the intersection with the “Consulting B” sign keep walking straight (do not turn towards Consulting B)

Continue straight down the corridor until you exit the building

Walk across the courtyard and enter the next building where you will find Suite 7 (immediately on your left)

Please note:

We recommend you carry proof of Covid vaccination status whilst onsite at the hospital.

^If you have not had a minimum of 2 Covid vaccinations you must take a RAT test on the day prior to your appointment. Please take a photo of your test result alongside photo ID & present to Mr Toshniwal’s Secretary on arrival to Suite 7.

It is recommended you aim to arrive at the hospital 15 minutes prior to your appointment time to allow time to park and make your way to Suite 7.

Please do not arrive earlier than 15mins prior to your appointment to avoid congestion in our waiting room.
