SUMEET TOSHWIHAL

GENERAL SURGEON | LAPAROSCOPIC SURGEON | ENDOSCOPIST
MBBS MS FRACS

Mr Sumeet Toshniwal is an experienced General Surgeon providing care at Knox Private Hospital and the surrounding areas. Sumeet can treat patients in the realm of General Surgery and has a special interest in Hernia repair and Gall Bladder surgery.

In 2013, Sumeet became a fellow of the Royal Australasian College of Surgeons (FRACS) after completing his fellowship training through Western Hospital & Royal Melbourne Hospital. Prior to this, Sumeet obtained his Master's in Surgery (M.S) in India.

Since obtaining his fellowship, Sumeet has worked extensively in both the public sector at Northern, Monash & Eastern Health while establishing his private practice at Knox. While Sumeet continues to work with Eastern Health he provides services privately at Knox Private and Waverley Private Hospitals.

Sumeet is highly skilled in General Surgery including laparoscopic surgery and endoscopy.

MR TOSHWIHAL'S SPECIAL INTERESTS INCLUDE:

- » Hernias (Inguinal, Umbilical, Incisional, Abdominal/Ventral)
- » Gall Bladder Surgery
- » Haemorrhoid Surgery
- » Carpal Tunnel Release
- » Endoscopy (Gastroscopy & Colonoscopy)
- » Excision of Lumps, Bumps & Skin Lesions
- » Ingrown Toenail Removal.

Sumeet is a people person with a sincere sense of empathy. He prides himself on his personable nature and communication skills which carry through from referral to post op for his patients and referrers. His treatment plans are tailored to the patient's needs and wishes.

Should patients prefer, Sumeet can provide consultations in Hindi as well as English.
